“ *God took him to soon, and I miss him so much. John-Eric will forever be in our hearts , he had so much good things coming his way, I have no words to explain the pain I'm going through. He was always a smart, nice, loving, caring , great person , he was just now experiencing life because he had just turned 20 years old. Life is so unfair, and it hurts to know that I won't wake up to my brother in my house or going out with my family and I. John was and will forever be so bright in our hearts.*
