“ On behalf of the class of 1963 Swarthmore College, I am writing to let John's family and friends know how sorry we were to learn the sad news of John's death. He was a respected member of our class, known for his intellect, determination, curiosity, integrity, and leadership of the track and field teams. We extend our sympathy to John's family and friends.

Sincerely,

*Diana Judd Stevens, class secretary*

“ *From the Ross Family*

*It is such a time of sadness for all who knew John, yet we are so thankful for having been in his presence. John was not just a historian, advocate, and devoted researcher; he was the most generous person. He gave so much of himself, time, energy and finances to advance the history of Harriet Ross Tubman. John thank you for being such an amazing man. Your legacy will always live on. Your reward will be great as you will hear the words , "Well done my faithful steward"*
