“*Mr. John Williams, I can remember when I first met you walking through Harrington Casino we had a long lengthy conversation. During our conversation you never really told me you wanted to work here, where I could of taken here of that the next day, but we kept on talking about different topics throughout the night. I never seen you again until weeks later, you were in a Harrington security uniform. We never laughed so hard. I can tell the world now, that if you ever needed a friend you were that guy. A excellent listener. kind heart, and good spirit. Mr. Will as I called you, you will be greatly missed by all that knew you. On behalf of the Andrews family of Seaford, DE, Harrington Casino employees, and the United States Navy we wish you "Fair Well" and I'll see you when I get to Heaven. GOD BLESS you my friend!*
