

Joseph P Jeanniton

January 11, 1949 - May 11, 2016

The story of my father's American Dream began in December 1976 when he left the country of his birth, "Ayiti" or Haiti. He left behind his wife, Marcelle and two young children, Fritz-Marc and Kerone. Alex first landed in Nassau Bahamas and then later went to Florida in 1979. While in Florida he was able to work and obtain passage for the family he left behind in Haiti to join him in America. Alex and his wife later went on to have two sons in Florida, Alix and Jolet. The young family moved from Florida in 1983 traveling to Georgia and later settling in the Delmarva area.

It was here that Alex and his wife raised their family, built a home, and saw all of their children graduate from high school and all four starting their college journey. Everyone who knew Alex was aware of his strong work ethics and love for his family. He leaves behind his wife Marcelle of 41-years, 11-grandchildren along with Alex's surviving sisters, Marie Claude Guerrier and Orianise Predestin. Let us not forget the countless family and friends both in America and Haiti who mourn his passing.

As we gather to remember Alex reflecting on his life, his children want to say *Merci Beaucoup* to the man and father that risked his life to make sure his children had more opportunity than he did. Alex will always be in our hearts as his children and grandchildren continue to build on his American Dream...
