

## Joseph Olszewski

October 16, 2024

Joseph Carroll Olszewski passed away on October 16, 2024, at the age of 66. Joe is survived by his loving wife of 45 years, Laurie, and their children Sarah (Anthony), Lynn (Mark), Daniel, and grandchildren, Nolan and Audrey. After receiving his degree in packaging technology, Joe began his career with Baltimore Box, ultimately retiring as the complex general manager from International Paper.

Joe valued education and worked hard to ensure his children had opportunities to obtain college degrees. While Joe was extremely humble about his own awards, accolades, and honors he took great pride in all his children's accomplishments.

Joe was a forward thinker. He built a passive solar home and recycled aluminum decades before the ideas became popular.

Joe appreciated the quiet of a remote, country lifestyle and was proud to have been a Boy Scout.

Joe enjoyed muscle cars and owned five different Corvettes, his 'new baby' every nine months until the need for a car seat made them far less practical. He was a highly vocal Ravens fan – his home sounded like a party even when watching the game by himself. Joe really enjoyed a good steak from the grill and fried chicken.

Joe enjoyed a good laugh and was a fan of the Three Stooges, Blazing Saddles, nearly anything Jim Carrey, Married With Children, Seinfeld, and Family Guy. Joe liked music, especially Tom Petty, Ted Nugent, and Lynyrd

Skynyrd.

The family is truly thankful that Joe is at peace and enjoying a heavenly reunion with the brothers he loved, Tom and Jim.

“ Me and Joe grew up together as kids .Always playing baseball, football and lacrosse riding bikes and motorcycles as well.When Joe got his license he would always come and pick me up and always burn rubber going down the road.We played ice hockey went skiing and hunted and fished.Joe always looked out for me no matter what ,that was the meaning of family.We did a lot of crazy stuff back in the day and always managed to stay out of trouble. We had a ton of laughs and countless good times.Joe was a man of his word and always took care of his family and the closest thing I had to a brother. That’s what I remember about Joe
