“ *Rest in Heavenly Peace my Angel. I cant believe you're gone. You will truly be missed, I am thankful God allowed us to be a part of you Michelle and Mike's Life and I'm privileged our paths crossed some 30 plus years ago. You are loved by all and have touched so many families, hearts and lives in Delaware. I'm at a total lost, but God, Michelle and Mike needed to have the family together again. I love you and you will truly be missed..continue to rest in heavenly peace my Angel..*
