My Deepest Sympathies to Dynetta, Akbar, Hakim, Rasheedah, Cherish and the family collectively on the passing of your Matriarch. I did not personally know Ms. Julene, but from the time I was a little girl watching my mother play sports until I graduated from High School playing sports myself her face amazingly never changing, was there with her husband, always supportive of her children, so much so if I had seen her randomly i'd say there goes... mom. May her love, support and the memories she planted in you all bring comfort and peace during this time.
