“ *I loved my Uncle Julius. My mother was his older sister. He loved his family and made sure we were taken care of. After we moved to MD and would visit NJ he made sure to stop by our home and drop off water melon, sweet potatoes or some other goodie he knew we would enjoy. I'm gonna miss our poke-no games. He loved the game and made sure we all played by the rules. I recall my last visit with Uncle Julius a couple of weeks before his passing. We chatted about a lot of things including the love and appreciation for his kids. He will certainly be missed. ❤️.*
