“ Dear Family and Friends of Mr. Carrick, even though I did not personally know Mr. Carrick, the loss of every human life is significant to me and should be valued by all. The Bible book of Hebrews reminds us that God does not forget all of the love and fine works shown by Mr. Carrick (Heb 6:10). It was not God's original purpose that mankind die. At creation God was able to say that everything was "very good" (Gen 1:31) Death was introduced through Adam's disobedience (Genesis 2:17). Jesus' sacrifice of his human life on earth again gave us hope of everlasting life and soon death will be no longer occur (Revelation 21:4). Hopefully, faith in these Bible promises will ease the pain from this loss as you look forward to seeing Mr. Carrick again. Because of these promises we have reason to be hopeful and look forward to seeing Mr. Carrick again in perfect health under paradise conditions. Meanwhile we have the opportunity to follow Jesus' instruction to continue to take in Bible knowledge that leads to everlasting life (John 17:3).

“ Words cannot express how sorry I am for your loss. That is why during times like this I try to look to the Bible for comfort. Scriptures like Psalms 46:1 and 55:22 remind us to throw our burdens upon God because He wants to be there for us during our times of distress. There it also tells us that God wants to brace us up and give us strength when we need it most. I have found the best way to benefit from His offer is by getting to know God's personal name. This can be found at Psalms 83:18. I hope these scriptures can bring you a measure of comfort. Your family has my sincerest condolences.
