JV

“ Kareem was a brother to us. We knew him for almost 30 years. Nobody could make you laugh as hard as Kareem could. I wish we had more recent photos but we want to honor you and all the good times; the road trips, the parties, the meals shared as friends. You left us too soon, but there is no way anyone will ever forget you, Kareem. Rest easy.

“ Kareem was a great friend from highschool to adulthood to parenthood. He was always around when you needed someone to talk to. He was absolutely hilarious, and would have us in tears laughing. I wish I had more recent photos from all the road trips, get togethers, and meals we all shared over the 25 years we have known you. Gone too soon, but there is absolutely no way we could ever forget you, Kareem. Rest easy. Love Jess & Mary
