“ I thank God for the bond you and I had. I can't begin to put into words the void I feel knowing you're gone. You and Papa Demby had a huge role in the person I've grown to be. I was 2 years old when you both came into my life. I will never forget the wonderful childhood memories I had spending summers and holidays with you both. I am forever grateful to God for the both of you. May you rest in Heaven and watch down on us. Until I see you again. I love you Mama Louise- Love Migdi
