“ My dear uncle, where should I start? There are many find memories that we shared. From you teaching me how to drive a stick shift to you trying to cover up for me. Now that will always be the best you got put on punishment along with me. Oh how we used to laugh about that. I will miss your gentleness, kindness and love. You was always smiling so that is how I will always remember you. I know the family reunion was awesome, you were reunited with grandma, Robert and JJ. You were truly a gem. Rest well unc. Love you always.
