“ So sorry to hear of the passing of your dear love one. I knew him as a good friend and a loyal redskins fan, especially when he rode around in that burgundy truck he had tricked out(Go Redskins). He would help you with anything you needed to have done and would ask for nothing. I knew him from my days at Selbyville Middle and IR and we always had the greatest respect for each other. Everytime he came by my house he would blow or stop for a short conversation. Family- always remember the great times you shared as a family and this too shall pass with the aid of your belief in GOD and prayer. God makes no mistakes and you will see him again one day. GOD BLESS YOU ALL!

“ I am so sorry to hear of the loss of your loved one. The bible gives us hope of seeing our loved ones again in the near future. At Acts 24:15 it tells us that " there is going to be a resurrection of both the righteous and the unrighteous ", so we have a chance of seeing our loved ones again. So please take comfort in Almighty God's word the bible and look forward to the time when death, sickness and pain will be gone forever. (Revelation 21: 3&4) Until then, may your family be comforted and blessed.
