

Kenneth Randolph Barnes

June 8, 1965 - June 15, 2025

KENNETH'S LIFE STORY

Kenneth Randolph Barnes, affectionately known as “Kenny” by family and friends, was born on June 8, 1965. He peacefully entered into eternal rest on Saturday, June 15, 2025, at the age of 60.

Kenny was lovingly adopted as a child by Randolph Barnes and the late Edith Gadson Barnes and raised in Snow Hill, Maryland. From an early age, Kenny was known for his energy, speed, and charm. He spent his childhood racing bikes, foot racing, and playing games with friends. Though he wasn't the biggest kid, he earned the nickname “Quick” because of his incredible speed—a name that followed him into college.

Kenny graduated from Snow Hill High School in 1983, where he was a standout student and leader. He played football his senior year, contributing to the team's 1982 state championship win. Kenny was also the drum major for the high school band and proudly held a perfect attendance record throughout his 13 school years.

He went on to attend Morgan State University in Baltimore, Maryland, where he earned a Bachelor of Science in Business in 1988. At Morgan State, Kenny joined Kappa Kappa Psi Fraternity and became the premier drum major for

the university band. Known for his iconic drum major backbend, infectious confidence, and show-stealing charisma, Kenny became a fan favorite at performances.

Shortly after graduating, Kenny was diagnosed with multiple sclerosis (MS). Though his career was limited by the disease, he remained active and dedicated to his community. He returned to Snow Hill and held several part-time clerical positions, including at Lower Shore Enterprises, Worcester County Developmental Center, and Dove Pointe.

Despite the challenges of MS, Kenny never lost his joyful spirit or his radiant smile. Proverbs 15:13 says, “A joyful heart makes a cheerful face,” and Kenny lived this truth every day. He embraced life fully, competing in the Special Olympics in skiing and shot put, where he medaled, and inspiring others through his unshakable faith and positivity.

Kenny deepened his relationship with God through his journey. He worshiped at Mount Wesley United Methodist Church and Free Indeed Ministries, both located in Snow Hill. Though MS limited him physically, his faith and spirit grew stronger. Kenny's sharp mind and uplifting words served as a ministry to those around him. He was known for his favorite acronyms—HAH (Hallelujah Any How) and HIV (Heaven In View)—which never failed to bring smiles to those who heard them.

Kenny leaves to cherish his memory: his beloved father, Randolph Barnes; his loving sister, Martina (fiancé Thomas); two nephews, Kenneth Wharton III and Kyle Wharton; great-nephew, Amari Wharton; great-niece Keidyn Wharton and a special bonus great-nephew, Amir Levi. He is also survived by a host of aunts, uncles, cousins, other relatives, and dear friends who will forever hold him in their hearts.

We were drawn together because of our birth years. We were both children born in the year of “65”. “ To Kenny, BFF, My Barnesy

You really messed me up with this... My mind is all over the place. I remember the 1st time we met, you introduced yourself & told me some things about you, finishing up with saying I have MS, MS doesn't have me. We lost contact over the years then you came to Holly center and we picked up like we never lost a day. 20 yrs of being friends, from Dove Pointe to Holly Center and finally you have me at a lost for words. So many days we talked, and laughed (we cut up badly) & even shed some tears together. From having lunch together, going shopping, dr appts, dances, outside adventures or just sitting in your room talking. A time was always had. I started out as your caregiver and ended up making a friend for life. Just a week ago, we were celebrating you making it to 60 yrs old & now we gonna celebrate you finally making your dream come true. As you told many, many people, you have HIV (Heaven In View), and now you made it there.

Thank you for each memory that we have together (I will never forget you or them) & every prayer you've ever said for me. I will miss you!

*Sincerely
Your BFF Tumicka*

Sending my sincere condolences and prayers to the family

“ k.barnes, "bishop" "the mayor" "k.b." little nicknames i had for you. i am going to miss you friend and i say that genuinely and with all sincerity. i joined holly center over a year and a half ago.you were the first resident i met, i remember like yesterday, you were in your room reading your bible and listening to the gospel station from then I knew you were going to be a true friend indeed. We hit the streets hard, from earth wind and fire tribute concerts, brew river, festivals, shopping (which you loved the most) especially trying to find a bargain lol, church, haircuts at the barber shop, voting together...the trips were always great but most importantly was the laughter and conversations we had through the year. we cracked each other up and i enjoyed it so much. we talked our trash and laughed and go into a whole intellectual conversation in the next breath. i am tearing up thinking up how much i enjoyed our times together and will miss coming to get you and hanging out. gonna miss you man, it was so good to celebrate your 60th birthday with you. We hung out all day, church and brunch. glad you were able to see it. watch over us bishop , cause i know for sure you made it to the gates...bishop, love ya , miss you

“Kenny Barnes was the life of our church, Mt Wesley. It wasn't when he was in the best of health. He became the motivational speaker when he was going through. How could we sit motionless in church when he was giving praise to the most high! It was during those difficult times for him that he was able to praise through the pain. Even when his body began to betray him he was still able to utter the name of Jesus! His testimonials were riveting causing Mt Wesley members to raise the roof in praise and worship. I tell you - it was powerful! Yes he was outgoing in school. He was certainly Phenomenal as the drum major! It was his love of Jesus that could move a mountain. It was his praise that could unite people and create a wave of down home worship! I choose to remember, Kenny as the one who during praise and worship time at Mt Wesley as a person who would thank God for Everything the good and the bad! You are missed!

My brother Kenny Quick Barnes. It has been years since I have seen you but the memories of our Morgan State Band days will always be priceless. Remembering the day you said that you will play trash cans just to march in the band. Then you ended up rocking that tenor saxophone. Those late Friday night rehearsals where you always wanted to challenge Kevin Yancey for the Drum Major position. Then that day your dream came true and you became Drum Major of the Morgan State Manificent Marching. You were always the man who kept a smile on every one face. You even made me jealous at times. lol. Man, I can't believe you are gone but I do understand. Love you my Rook Psi Rook and Kappa Kappa Psi brother. I am thankful for the times we shared.
