

Kevin Wayne Waters

January 19, 1967 - May 26, 2020

Kevin Wayne Waters, age 53, passed away peacefully, on Tuesday, May 26, 2020, at Christiana Care in Newark, Delaware. He was born on Thursday, January 19, 1967, in Elkton, Maryland, to Robert and Doris Waters.

Kevin graduated in 1985, from Del Castle High School.

He married Cynthia Blackston, on August 6, 2005, in Galena, Maryland.

Kevin was employed as an Environmental Specialist at Heroin Point in Chestertown, Maryland.

Kevin truly lived his life to the fullest. He enjoyed outings with his wife and movie nights. He also enjoyed hosting many BBQs for family and friends. As most of us know, he was a big Philadelphia Eagles fan. You could not convince Kevin they were not the best, even when they lost. He would always say, "It's okay, we always have next year!"

Kevin was loved and adored by all who met him and he had a heart of gold.

Kevin is survived by his parents, Doris and Robert Waters; his wife, Cynthia; three siblings, Robert, Alexa and Sherry (Sierra); two sons, Kevin and

Marquan; two daughters, Inesha and Asia; one grandson, Hezekiah; and a host of cousins and friends.

“ I was very sorry to read in the Kent County newspaper that Kevin had passed away. I first met Kevin when he was a student in my Math class at Redding Middle School in Middletown, Delaware. It was a joy to have him in my class! He was a respectful and kind student who completed his assignments and always managed to make me smile and laugh. His smile continued to bring me happiness when I would see him and talk with him in Galena and Chestertown, most recently last year at the annual Volunteer of the Year breakfast and awards ceremony at Heron Point. My condolences to his wife, parents, and family. I wish that I could attend his services but unfortunately, I have previous plans. Please know that Kevin touched my life and it was a joy to know him. “ Kevin , or as we called you Buck , I will never forget you , we still talk about the fun times at work .10 years later we still have the Buck dollar we changed into a 20\$ bill on the bulletin board , it makes me smile when I see it , always working hard but you really earned my respect when I learned what you had to go thru just to get to work , always with a positive attitude and something funny to say. We became friends and the day we went crabbing on the boat was hilarious when you had a life preserver on until you found out we were crabbing in 3 feet of water . You never stopped talking about Pudding and we could all tell how much you loved her without saying it. The first person I talked to after the Eagles won it all . You really touched me in those few years and I know its too late to tell you but at least i can let your family know . Rest in peace, John Baker
