“ I will remember all the good times we had growing up and seeing you in the store. You were still the same. Singing in VBS with the topping’s family. In school in Ms. cottman’s computer class laughing what LiCurtis & Robert will do in class. Going to miss you

“ This right here really hurts. Kizzy would often visit us and we would laugh and have fun. She often checked on dad, whom she called Pop Pop. Kizzy we miss you so much. I called you the day of the accident, not knowing , that would be the last time, I called you, even though I didn't speak to you, because that's when the accident occurred. I am praying for your children, mother, siblings and all of your relatives. The last time we went out to eat was at Red Lobster, you, me and Brandon and we ate, ate and ate, we were stuffed and we had so much fun as always. Vanity always said you were so nice and she always had fun with you, especially when you all went to Old Mill on Mother's Day along with Quan and his grandmother. Kizzy, sleep on and take your rest. God needed you and we will meet again. We love you!!! Sleep on and take your rest, no more suffering, you are with God. We will see you in the morning.
