ME

“ Kurt Martin Kline was my grandpa. When i was little Kurt and Bonnie Merix took care of me. When they both pass away, I felt so bad because I lost my 2 important best friends. They would make me laugh when I needed it, they make me have a smile on my face every morning. When I found out that my Mom mom pass away My world would change because they where like the only people that would make me smile and laugh when i needed it. But i also was happy because I know that they are now my garden angel. But I LOVE THEM SOOOO MUCH cait wait to see them one day again. R.I.P both of you guys
