“ I am sorry for your loss. The death of a love one is the most painful experience a family will ever have to cope with, because it was never apart of Jehovah God plans for mankind, it was the penalty for disobedience.-Genesis 2:16,17. Even Jesus was pained and gave way to weeping when his friend, Lazarus died; even though he knew he was going to raise him from the pangs of death.-John 11:11-44. Jesus will soon resurrection all those who are sleeping in death, back to life with the prospect of eternal life on the paradise earth.-John 5:28,29; Luke 23:43. Please read these scriptures in your Bible for added peace and comfort during this grievous time.- Isaiah 66:13; Psalms 55:22.

“ Ms.Vi and Family, I was so sorry to hear of the passing of your beloved sons, both Quincy and Laird. Please know that you have been in my prayers and always will be. There are no magic words to make your pain go away but there is a promise from God that he will see you through this time and the days to come. There is nothing more precious than a mothers love, and I know that your sons were loved. They will never leave you they will forever be in your heart!  
With Love, Benji
