“ I am so sorry to hear of the loss of your loved one. It's sad to lose anyone in death, especially one as young as Lamar. The bible tells us that the dead will be resurrected. Also, that death, sickness and pain will be removed in the near future. (Revelation21:4) Please take comfort in the bible during your time of grief and may the God of all comfort grant your family peace.

“ My deepest condolences for the loss of your dear loved one. While nothing will completely take away your grief by meditating on Gods promises found in the Bible you can find real hope and the strength to keep going. My family and I have found the scripture at Isaiah 25:8 to be especially comforting. Here it promises that God "will swallow up death forever and the Sovereign Lord Jehovah will wipe away the tears from all faces."
