Reflections of Life

Elder Lannie Swinney Williams

On September 12, 1932, an angel was born to the late Henry and Lillian Swinney. Her name was Lannie and she was a joy to be. She was the sixth child of thirteen children. After attending Gordon High School in Dillon, South Carolina, she relocated to New York where she worked 11 years at Sure Snap, as a supervisor. She was later hired as a licensed registered tech at St. Mary Hospital, retired after 18 years, then moved to Dover, Delaware. She took a job at Milford Memorial Hospital working in central supply as a certified tech for 15 years, retired and moved back to New York in 2014. She worked as a grandparent teacher at PS36 School, for 4 years, in Jamaica Queens, New York.

The love of the Lord has always led Lannie after faithful service attending House of God Which is The Church of the Living God, The Pillar of Truth Without Controversy, Inc., Keith Dominion, for over 60 years. She was ordained as a minister in 1942. She was ordained as Elder in 2008 and worked in various capacities during her 60 years journey: Senior Teacher, Chairperson of the Pastor's Anniversary Committee and Superintendent of Sunday School.
