“ Of such an incredible light to be taken away, Latoya and I were friends here in KCMO,... Her smile, incredible personality, and energy will truly be missed,... In these trying of times I hope God pulls you all close and holds you to hopefully comfort you all,... Lose is never easy, especially from such a incredible woman, friend, and mother,... For me this hits very very hard, because she was such an inspiration and always telling to Keep Going,... Especially when I welcomed my twins last year!! 🌹😭💔
