“ Please accept my condolences for the loss of your loved one. During such difficult times we realize even more so how fragile life can be. Please find comfort and hope in the words of Jesus Christ where he promises that he will bring back to life all those who have died (John 5:28, 29). What a glorious day that will be! God's Word, the Bible helps us appreciate that death is an "enemy" not only to us, but also to God (1 Corinthians 15:26). Almighty God promises that one day He is going to get rid of forever all the pain, suffering, and death mankind has experienced for thousands of years (Revelation 21:3-5; Isaiah 25:8)! Why? The Bible tells us that God's purpose is for obedient mankind to enjoy life forever on a beautiful paradise earth (Psalm 37:10, 11, 29)! Although times are difficult and challenging right now, there is a wonderful future ahead for those desirous of doing God's will (2 Timothy 3:16, 17; 1 Timothy 2:3, 4). Please look all these scriptures up in your copy of the Bible. You won't regret doing so. Our thoughts and prayers are with all of you.
