“ I am so sorry to hear of Laura's passing. I've known her since I was born as my mom and her were extremely close throughout my life until my Mom's passing. No matter where I was, or how I was doing without fail I would get cards for myself and family on birthdays, Christmas and Thanksgiving. I enjoyed sending her pictures of my family throughout the years as well along with a gift basket or 2. She sincerely appreciated the reciprocation of pleasantries and I sincerely appreciated her thinking of us. Hopefully she has reunited with all those in her life that went before and her and my Mom are friends once again.
