“ My heartfelt condolences to the family. I meant Apostle Spady years ago, and he would always express his love for the Lord, his family, and of course...a good meal 😊. He was a man who wasn't afraid to talk about Jesus and how much he loved the Lord! He knew the Bible inside out and would preach the gospel no matter where he went. Like many, I will miss his conversations and his physical being, but I know he's in heaven still talking about Jesus and preaching the word of God! To his family, May God Bless you and bring you comfort and peace during this time.

*As the granddaughter of Albert Wright, I knew Apostle Spady as Rev. Spady. My grandfather and grandmother Carrie often attended Rev. Spady's revival services and what a great man of God is was. I've had the opportunity to sit and be taught the Word in te past couple years as Apostle Spady was welcomed at All Walks of Life Ministry, in Concord, DE, Apostle Randy and Prophetess Lori Jones. The kingdom of God has lost a veteran of the Faith. Rest in Jesus, Sir and thank you for your service in the military and in the army of the Lord.*

*My family and I will always remember Apostle Spady. The doctors had given my mother up after her heart had stopped beating in the midst of an operation. We called Apostle Spady who came and laid hands on her and prayed. She came back to life immediately and was healed . It was a miracle. Doctors came from far and near to see. They asked her how were things in heaven for they witnessed her dying . Apostle Spady was our witness to the realness of God and His word. He deserves. This test for he worked while it was day.*
