“ To The Family,
Please accept my condolence. My heart goes out to you in your time of sorrow. I hope that you are able to draw comfort from the scriptures during this difficult time. One of my favorite text says, “If an able-bodied man dies can he live again? You will call, and I myself shall answer you. For the work of your hands you will have a yearning.” (Job 14:14, 15).

“ Please accept my deepest sympathy in your time of grief. Almighty God is a God of comfort. So please take comfort in the scriptures at this time. Revelations 21:3&4 tells us that soon death, sickness and pain will be removed. Death is an enemy to mankind so it will truly be a blessing to not worry about dying. May your family be strengthened and blessed at this time.
