“ *When our loved ones die, we mourn. In the Bible, death is aptly described as “the last enemy.” (1 Corinthians 15:26) It breaks into our lives with irresistible force, often when we are completely unprepared, and it robs us of those we hold dear. None of us are immune to its ravages. But at least we have the reassurance the Joe as he was so wonderfully known ; is at rest in a peaceful slumber until we see him again . Until then he will be deeply missed. We love you Joe....

“ *Extending deepest sympathy to family and friends in this time of sorrow. Please find comfort in knowing that soon all those in the memorial tombs will hear Jesus' voice and come out. (John 5:28,29) Until that blessed day, may the GOD of all comfort grant you peace while many fond memories warm your hearts.*
