“ Levin My Love

*It has been a little over 3 months since we spoke. I miss you. We have gone longer without speaking. What makes this time so painful is I don't know when we will see each other again. I have faith we will be reunited one day. The fond memories of you keeps me going.*

*I often stop and think why I loved you so much. The best answer I came up with is because you needed love. It's funny because you didn't want to be loved at times. I loved you anyway because you were my friend. Another scripture that comes to mind when I think you is 1Corinthians 13:4-7 Love is patient, love is kind, It does not envy, it does not boast, it is not proud. It does not dishonor others. It is not self seeking. It is not easily angered. It keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always trusts, always protects, always hopes, always preserves.*

*Still missing you. Still loving you. Always thinking about you.*

*Tonya* ❤️❤️❤️❤️❤️❤️❤️

“ Levin I am having a very hard time accepting your passing. I feel like I need one more fight, one more hug, one more kiss, one more text in the middle of the night when you can't sleep, one more 6 minute conversation. You were never one for many words. I could not keep you on the phone for long. I would always joke we will be senior citizens and still fighting. I had no idea you would have to go before we retired. You were in my life for 17 years and I am missing you. You are one of my oldest friends. I want my friend back.

“ My heart is so heavy. First and foremost to the Purnell Family, I am very sorry for your loss. Please find comfort in 1 Thessalonians 4:13-14 which reads: "Brothers and Sisters we do not want you to be uniformed about people who sleep in death, so that you grieve like mankind who have no hope. For we believe that Jesus died and rose again , so we believe that God will bring with Jesus those who have fallen asleep in him." The scripture tells us we will see Levin again. Please be encouraged.

*My Dearest Levin Alexander: As I told you thousands of times while you were alive, I love you and I always will. You made it difficult at times LMBO but I never went back on my word. Rest easy Baby until we meet again.* 🥺❤️💋

“ Please accept my deepest sympathy in the loss of your loved one. Death is an enemy to mankind, but Almighty God is going to remove death, sickness and pain in the near future. The bible also gives us hope of seeing our loved ones again at John 5:28&29, when the dead will be resurrected. Please look forward to that time and until then may your entire family have peace.

“ Please accept my condolences for the loss of your loved one. At difficult times like this we realize how precious and fragile life can surely be (James 4:14). As your family and friends comfort one another, please also be comforted by the sure hope the Bible gives us for all those who have died (2 Corinthians 1:3, 4). As recorded in the Bible, Jesus promised that one day he was going to bring back to life all those who have died (John 5:28, 29). That is why he encourages all of us to exercise faith in that promise, the life that he gave in our behalf, and be blessed as we see that promise fulfilled (John 11:25; 3:16). The Bible makes it clear that death is an "enemy" not only to mankind, but also to Almighty God (1 Corinthians 15:26). That is also why God promises to remove forever all the pain, suffering, wickedness, and death that mankind has had to endure for thousands of years (Revelation 21:3-5; Psalm 37:10,11,29). At that time soon, as the Bible indicates, both the living and the dead who are brought back to life will enjoy life, everlasting life, as God originally purposed for this earth thousands of years ago in the Garden of Eden (Genesis 1:28; Jeremiah 29:11). What a glorious day that will be for mankind who are doing what God asks of us, namely that we simply do His Will, not our own (1 John 2:17; Proverbs 3:5,6). Please read and meditate on all these scriptures in your Bible and be blessed (Psalm 1:1-3). Our thoughts and prayers are with all of you.

“ I am sorry for your loss, please accept my sincere condolences. I hope the family will find some comfort and strength in Jesus promise of the earthly resurrection(Acts 24:15)and the renewed Paradise earth, where death will be no more and no family will mourn the death of a loved one.-Revelation 21:3,4;John 5:28,29;Luke 23:43. may GOD(Psalms 83:18)grant you peace and comfort now, during this grievous time.-Matthew 5:4.

“ I am so sorry to learn that Levin has passed. We were sorority/fraternity brother and sister and I met him during my tenure at Verizon. Of course it wasn't a standard introduction. Levin was the man around the gym and made sure that every newcomer was properly greeted. He made sure you were putting in work, had the correct form and didn't duck out of the gym too early. :-) That first day I let him know that I didn't need a personal trainer, but that didn't stop him and from there we became buddies. Just last week I realized it had been a minute since I'd heard from him (I no longer work at Verizon), but I'm now so sorry that I didn't just take a moment to pick up the phone to call or text to say hello. This would be around the time that he and the bruhs would start plotting to go eat crabs at the spot in DE.

*He will be missed by so many.*
