“ *To the Collins Family: I am so sorry to hear of your loss. Lillian has been a very dear friend to me for nearly forty years. I will miss our telephone calls and rides here and there, but I know it was time for God to call her on a journey we all must travel. Lillian was well known and always had a way of making people laugh. She often remarked, \u201cIt doesn\u2019t cost you anything to speak to someone,\u201d and it seemed she had a kind word to offer someone. As for family, she loved all of you, and I know how much you all loved her. She was often excited to have visits from her grandchildren, calls from her sisters, or receive cards in the mail from family on special occasions. Family, if ever there was a time to stay strong in the Lord, it is now. Please know that I am thinking and praying for all of you. May God bless and keep you as you move through these difficult days.*
