“ Please accept my deepest sympathy in the loss of your loved one. It really hurts to lose someone we love in death. The bible tells us that death is an enemy to us all, Almighty God is going to remove death, tears and pain in the near future. (Revelation 21:4) Also, Acts 24:15 tells us that He is going to resurrect those who are sleeping in death. So please look forward to that time, and may the God of all comfort grant your entire family peace.

“ My wife and I would like to extend our condolences for the loss of your loved one. At times like this we realise how precious and fragile life can surely be (James 4:14). Jesus however gave us much comfort and hope she he promised that one day he would bring back to life all those who have died (John 5:28, 29). With that promise Almighty God tells us that He is also going to remove forever all the pain, suffering, wickedness, and death that mankind has had to endure for thousands of years (Revelation 21:3-5; Psalm 37:10,11,29). All that is asked of us is that we do God's will and not our own (1 John 2:17; 5:3; Proverbs 3:5,6). As you read and meditate on all these scriptures, it is our hope that you are comforted and blessed especially during this difficult time. Our thoughts and prayers are with all of you.
