“ *Ross ... I have been reflecting on growing up with you and Jarvis, and my sister Sheri when we were kids. Life seemed so care free; and then we grew up but even though we all went in different ways, the love of cousins remained. I will cherish those memories and I am sorry I was not able to see you as often as I would have liked. Life is not promised on this earth but now you shall have eternal life. Thank you for the memories you have left behind. Rest in heaven, cuz... Glenda (Linette) Palmer-Moultrie*
