“ To Karen Lewis and Family.
Please know that my Deepest Condolences are extended to you and your family during this time of bereavement. The loss of a father always hit hard with daughters. Trust me I know. Mr. Sonny was proud of you and his love for you should forever be in your heart. Cherish all the wonderful memories you have of being apart of his life from a very early age until his demise. Reflect on all the good times shared with him. It's those times that will give you peace in those midnight moments where you feel like ,what do I do now. Let his light forever shine in your heart. He loved you and was so proud of you and the woman you are. I know there are no words that can ease your pain but I asked God to get you thru the days ahead.

“ I worked with Sonny at The Town of Ocean City. Although our Father's were very good friends...I didn't know him until 1971. He was a very joking and comical person. If you were down he would definitely liven you you up. It was a many day I didn't have money for lunch he would take care of me. At payday when I was going to return his money he would say, "What money"? He was a very good man. RIP MY FRIEND.

“ *My Dear Heart,
How do you say farewell to the man who shared himself with me
unselfishly for 60 yrs of my life. You were everything to me and my
family as we were to you. There were no limits for your love,
empathy, and pure heart that you extended near and far to others.
We learn that love conquers all, but losing you cuts deep. We will
cherish the memories and love each other as you wanted us too.
You were a man of peace, sincerity, and humility. Rest easy and
know that I'll continue to be the anchor that you groomed me to be.
My love for you is forever. Your "Karen Yuvonne".* ❤️😭
