“ Hey Brother Louis,

We went through school together and hung out at your cousin Harry's club in Bishopville. You were always a nice, kind brother. Whenever I saw you, you always had a smile on your face and a warm greeting available. I was so sorry to hear of your passing. I know you are at peace and in the embrace of God. I will pray that your family will find solace and joy in the coming days as I know now there is pain at your passing. Rest In Peace and I will see you on the other side.
