

Louis Augustin

May 29, 1948 - February 1, 2021

Louis Augustin was born on May 29, 1948, at Dessalines, Haiti, and died on February 1, 2021. He lived to be 73 years old.

Louis married Gertha Sainte and was the father of 10 children; Edrice Augustin, Ansel Augustin, Franklin Augustin, Emmanuel Augustin, John Augustin, Monic Augustin, Ketlie Augustin, Eglatine Augustin, Kerlange Augustin, and Roshanna Augustin. He also had 20 grandchildren.

Louis was a cultivator and worked very hard to take care of his children and his family. Family was everything to him. He was a Christian man who loved to laugh and travel to see his family.

On his last day on this earth, Louis spent almost every minute of it hanging out with his son, Ansel and calling his friends, joking around and laughing with them. Because of that, we know when he left this world, he left it with his laughter.
