LOVIE'S LIFE STORY

Lovie Lovell Criner, known as “Love” to most, was born June 24, 1970 to Beverly Jean Holmes Criner and the late William Joseph Criner, Sr.

Anyone who encountered her and felt her love felt the warmth of her soul. Her light shines so bright even now that she's left this earthly realm. She loved her family more than anything in this life. Her passion was writing, singing, drawing and dancing. She loved making desserts from her heart. Her love poured out into her food and she was a mother and mentor to many.

Her memory will live on through: her mother, Beverly Criner; her stepfather, Okgress Stanford; her brother, Jason Stanford and her children, Jordan Criner and Nanyamka Criner. We will continue to share her love with: her grandson, Blessin Tahsan Hollowell and Jayden Jamarion Criner; granddaughter, Jaz'Ambrie Sashay Shante' Taylor and great granddaughter “Yummy” Ja'Nyla Sharice Criner; uncles and aunts, John and Ruby Miles of Conroe, TX, Clarence Miles of Livingston, TX, James Miles, Stacy Miles and Andre Miles, all of Houston, TX and Dorris Marie McGower of Shepard, TX and a host of other relatives and friends. She lived a life of love and spread joy in whatever room she was in at the time. She was a pure delight who will never be forgotten.

She was preceded in death by her grandfather, John H. Miles, Sr., grandmother, Nina Mae Miles and nephew, William J. Criner III.

She's gone but never forgotten and anyone who ever encountered her felt love and knew that it was genuine. My mother was fighting for a very long time but now the champ can rest. Although leaving behind sorrow, there is peace in knowing that she'll be with her King. God had bigger and better plans. Heaven couldn't keep waiting for you. It was just that time. All the laughs, cries and down moments are the memories you left behind. Mom, it's still so unreal and I miss you.

LOVINGLY SUBMITTED,
THE FAMILY
