“ *Lurray Lecates - OMG I just can't believe this!! I'm in shock and I guess I don't wanna face reality!!!! Lurray and I met in not such a great place at not such a great time in our lives! We were both in a court ordered treatment program and neither of us wanted to be there. During the second part of the program, which took place down State, Lurray and I became very close. Being probably two of the oldest people in the program, we were often called Lavern and Shirley it Thelma and Louise. We even went as far as trying to think of a way to get a car to ya to drive ourselves off the cliff. The Lurray I knew was such a loving, kind hearted women, who had a heart of gold and would do anything for anyone!!!! Sometimes people would mistake her kindness for weakness - but do t worry about that - Lurray showed them WHO WAS NOT WEAK!!!! Lol!!! The world won't be the same without her!!!! We have all lost a great person!!!! She is up there now, being rewarded for her endless kindness!!!! She is at peace now with whatever it was that kept her from finding that peace here! My heart goes out to her family and I'm sorry they had to say goodbye too soon!!!! Spread your wings Lurray Lecates and FLY.....FLY AWAY, AS FAR AS YOU CAN!! You will be missed and NEVER FORGOTTEN!!!! Love ya girl and we will meet again sometimes in the near future!!!!Jennifer Donavon*
