“ *I don't even know where to start. I asking God to put these words into sentences because I'm lost. You have made me so proud of you even when things got rough, you rode out the storm. I had notice during all our conversations you always mention God. I knew you loved the Lord without a doubt. Thank you for all your respect and my warm kisses, hugs and the harassing phone calls. I miss my phone calls everyday. You've gone to a better place and that's comforting to me. Sleep on my little Marco. I love you and never will forget you. (Quote from Marco) " I already know"*
