“ My deepest condolences for the loss of your dear loved one. While nothing will completely take away your grief by meditating on Gods promises found in the Bible you can find real hope and the strength to keep going. My family and I have found the scripture at Isaiah 25:8 to be especially comforting. Here it promises that God "will swallow up death forever and the Sovereign Lord Jehovah will wipe away the tears from all faces."

“ Grief can be hard, may your family find strength in God promise at Revelation 21:4 that soon: he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. You are in my prayers.
