“ Though it has been just a little over a week since you left us, our broken hearts are slowly mending. To know that you are no longer in pain, makes it just a bit easier, as each day goes on. They say as time goes on, it heals all wounds. I pray for that every day. I miss your hugs, your sassiness, and just being able to touch your face or just to brush your hair. There have been so many wonderful people surrounding us. The outpouring love has been overwhelming, to where it brings tears to our eyes. Rest peacefully; sweet mother, wife, grandmother, sister, and sister-in-law. I love you Mommy!

“ To Pam and Family: I am so sorry about your Mom. I know your loss is beyond words. I can imagine her in Heaven now with your Aunt Kathy, acting like silly school girls, taking turns dancing with Elvis! I hope that thought makes you smile today. Love you.
