“ My name is Art Hicks of New Castle. I worked with Margaret at Woolworths in Concord Mall 50 years ago. I was a Manager Trainee working in receiving and sometimes on the sales floor. Margaret always called me "Hicks". I had this little game I played with Margaret and her co-worker Mary. I would hide in the next isle over and call out her name in a disguised voice. She would say yes and come running to see who it was and when she saw me she would say "Hicks, I should have known it was you". Our Manager was Mr. Rice and Margaret would laugh about our disagreements we would have. She was a fun person to work with and was a very good sales clerk, always friendly and helpful. I would occasionally think about Margaret over the years and the memories always put a smile on my face. Rest in peace now Margaret and may your Family and friends find comfort that she is now in God's Kingdom.

“ Thomas family:Ms. Margaret was such a sweet lady. She always had a smile on her face. Every Sunday that I spoke with her, she would always ask me, (how is mommy doing?) May God comfort and strengthen each of you during this difficult time.
