

Marguerite Celeste Madison Keller

December 16, 1955 - July 6, 2021

Marguerite Celeste Madison Keller, aged 65, was born in Washington, DC, on December 16, 1955, and lived her childhood in Jersey City, New Jersey. She later resided in Union, New Jersey, before relocating to Dover, Delaware. She was the loving daughter of Dr. Edward Keith and Suzanne Marguerite Madison.

Peggy graduated from Saint Aloysius Grammar School, the Academy of Saint Aloysius and Jersey City State College. She worked at Marine Transport in Matawan, New Jersey, for fifteen years, until her retirement in 2019.

Peggy lived her life on her own terms, focusing on the positive and her retirement days with Doug. She also loved gardening and music - she was Doug's greatest fan and honorary groupie. While we wish she is still here with us; we feel fortunate to have had her in our lives.

Our sister 'Peggy' passed away on July 6, 2021, at home and is preceded in death by her mother, Suzanne Marguerite Madison and her brother Michael Keith Madison.

Peggy is dearly missed by her loving husband, Douglas Edward Keller; brothers, Louis Keith Madison, David Paul Madison and George Wheeler Madison; and sisters, Suzanne Michelle Madison, Patricia Ann Madison-

Seltzer and Stephanie Marie Madison-Pereira, as well as numerous cousins and other relatives, near and far.

We feel her loss deeply, although we know she is smiling at us and is in good company. Many miss her, and so we welcome family and friends to join in celebration of her life by donating to Peggy's favorite charity, Saint Jude's Research Hospital, in dedication of her memory. For now, we say "goodbye" until the time when we have the chance to meet again.

“ *Dear Doug, Keller and Madison Families,
Our hearts go out to you in the great loss of beloved Peggy.
May she rest in eternal peace.
...And May God's grace and love continue to bring strength and
comfort.
Peggy and I recently got a chance to connect by working on a family
history chart as part of an ancestral genealogical project.
Her enthusiastic support connecting our family tree with its many
branches is a blessing to past, present and future generations.
In expressing her 'love of family with all of its complexities', Peggy
stated 'good in spirit, good in life, and how you treat others is what's
important'.
The memory of Peggy brings joy and gratitude!
Sending Much Love,

“ On behalf of the Murray Family, I offer our deepest sympathies for the loss of our dear friend. Our prayers go out to Doug and to Doctor Madison, and all of Peggy's siblings.

Peggy and I were the same age, lived practically next door to each other and felt our childhood friendship was a special one. I'd keep her company when she'd take Princess (the family dog) for walks up and down Welsh Lane. And occasionally see her coming home from school along Bentley. She was a sweet girl, seemingly unaware of how charming and pretty she was. Despite her ready, radiant smile, I always felt she kept a lot to herself. As fate would have it we lost touch as teens. I wished we could have reconnected as adults. But as it turned out, probably without either of us realizing it, we both graduated from Jersey City State College in the same year.

God bless you, Peggy. May flights of angels sing thee to thy rest.

“ I live in MA & Peggy and I kept in touch by infrequent, but always meaningful phone calls. One night, sometime after 207 but before they moved to DE, I complained about not wanting to exercise but still having knee pains. Peggy laughed and said she does African dance to Doug's drumming. I love the image of Peggy dancing and laughing with Doug's encouragement You'll be missed. Ciel

“ Dear Doug and Madison Family. I am so sorry for the loss of dear Peggy. Although I didn't have the opportunity to know her well, she was part of the beloved "Cousin Cluster" on my mother's side of the family. I hope you find some peace in Peggy's beautiful memories and kind deeds. Love and hugs,
