“ *We are so saddened to hear of Maria' s passing, but may she dance and be free once again. We know that her spirit was meant to dance and to light up a room. Your kind soul and bright smile always lit up a room. May you dance and rest in peace. Angie and Russ* ”

“ *I am so very saddened to hear of Maria's passing. I went to high school with Maria and we have remained in contact over the years. I will miss Maria's supportive and fun loving spirit which made any friendship with her a true blessing in the lives of others. Maria was a warrior and persevered though many of life's challenges with strength, fortitude, and love. Thank you Maria for enriching our lives, for modeling for us the ways in which to thrive in the face of adversity, and most importantly, for being you. You will be so very missed!* ”
