

Marie Margie Bratten

April 8, 1951 - June 26, 2023

MARIE'S JOURNEY

On Monday, June 26, 2023, at 2:05 pm, the Lord called Marie (Margie) Bratten home after being in Christiana Care Hospital for her second open heart surgery. She was born on April 8, 1951 in Portsmouth, Virginia and was seventy-two (72) years young. Margie was a three time cancer survivor and went through an open heart surgery in 2013.

During her life, Marie had many illnesses but she never let any of those bring her down. She always kept a positive attitude and was willing to help others whenever they came to her. That positive attitude stayed with her until the very end.

Her death was preceded by her parents, Mollie Victoria Fulgham and Wilbert Hall, as well as four brothers and two sisters. She leaves behind: her husband, Burley H. Bratten, Jr.; three children, Tina Hall, Kevin Bratten and Levin Bratten along with a bonus son, Larry Trotter, many grandchildren and plenty of friends and family.

Marie enjoyed watching movies on the Hallmark Channel and finding different movies on Netflix, Amazon, and HBO. She also enjoyed the family's annual trips to Atlantic City to get away for some fun. When she wasn't traveling, she

was cooking big dinners for her friends and family and hosting many card games. Her favorite thing to do was talk trash and make jokes with her company. Also, if there were crabs in the refrigerator, you can bet she was going to melt some butter and pick those crabs up, along with any other seafood that was available. You could also expect to hear country music at any point if you walked into the house.

“While the numerous people she knew are heartbroken by her passing, we will continue to remember her with love in our hearts and keep her spirit alive.”

SUBMITTED WITH LOVE,
THE FAMILY
