

Marion Fountain

December 9, 1922 - November 7, 2016

Marion Ruth Barrett was born December 9, 1922 in Smyrna, Delaware to the late Clarence J. Barrett of Delaware, and to Pauline (Taylor) Barrett of Maryland. She passed away quietly at her home. She lived an extraordinary life marked by courage, resiliency, generosity, and deep gratitude to her Lord and Savior.

During WWII, Marion served her country as a real life "Rosie the Riveter", and later as a DoD civilian employee. Marion worked and volunteered as a caregiver to the elderly and was loved dearly by her clients.

In 1959, Marion married the love of her life, the late Robert Fountain. Together they adopted and raised two sons, Albert and Kevin. Both sons preceded her in death.

Marion was a prolific letter writer and never failed to send a birthday card to a family member or friend.

Marion leaves to cherish two grandchildren, Bria and Alisha Fountain; a brother, Harvey (Marguerite) Barrett of Hartly; and a host of nieces, nephews and cousins.
