“ I am so sorry to hear of the loss of your loved one. Death is an enemy to mankind, but in the near future death, sickness and pain will be gone forever. (Revelation 21:3&4) The bible also tells us that there is going to be a resurrection of the dead (Acts 24:15) Please look forward to this time, and until then, and until then may your entire family be comforted and blessed.

“ To the family: Brut and I shared so many memories, parties, weddings, showers, and graduations with you. Your mom and dad were such long and precious friends. True friends! There were no arguments or quarrels between us, just a long and endearing friendship. Family, We loved them and they will always be in our hearts. I can't remember one without remembering the other. “ *Lawanda and Family, Earth knows no sorrow that Heaven cannot heal. When your burdeons get to heavy you can take them to the throne of grace that you may find grace and mercy in your hour of need. God cares for you all and knows just what you are going through. He will caring you to the other side of through.*

Our pray is that you find joy and peace in knowing that to be absent from the body means to be present with the Lord.
