“ *My dear wife and I would like to take this opportunity to extend our condolences for the loss of your loved one. Because times like this are so difficult to cope with, our hope is to comfort you as we've been comforted when we've lost a loved one. The Bible reveals to us good news from Almighty God about all those who have died. He promises that one day his beloved son, Jesus Christ is going to bring the dead back to life - to enjoy life the way God purposed it to be in the beginning (Genesis 1:27, 28). He promises to remove all things that have made life difficult for us, including that enemy death (Revelation 21:3, 4; Psalm 37:9-11). What a glorious day that will surely be! We can trust that this promise from God will be fulfilled, because we know it is impossible for God to lie (Hebrews 6:18). May you be strengthened and comforted with such a hope as we deal with the challenges and difficulties of life right now (2 Corinthians 1:3, 4). Our thoughts and prayers are with all of you.*

“ I like to express my deepest sympathy for your loss. It was never God's intent that death should rule over mankind. - Romans 5:12; 1Corinthians 15:26, 55; God will do away with death. But for now God has provided hope-as stated at John 5:28, 29. During this most painful time please find comfort from God's word.
