Marsha Elaine Powell was born the daughter of the late Daniel Voiles Powell and Elizabeth Pritchett Powell on October 5, 1958 at Milford Memorial Hospital in Milford, DE.

She departed this life on October 1, 2013 at Jefferson University Hospital in Philadelphia, PA.

Marsha received her education in the Lake Forest School District, where she played field hockey and wrote for the sports column at W. T. Chipman Junior High School in Harrington, DE.

Marsha was employed at Delmarva Kenworth in Dover, DE for many years driving trucks and buses. She later found her place at the Capital School District, where she was employed for 17 years, until her health failed her.

Her hard work didn't go unnoticed as she was later awarded the Community Citizens Award which was presented to her by Mayor Hutchinson for her outstanding work in the community.

Marsha was a loving and dedicated mother and grandmother. She was blessed with one child, her forever loving son, Thaddeus Lamont Powell. Thaddeus often referred to her as his teddy bear, the two were inseparable.

She enjoyed cooking, dancing and family gatherings. She especially enjoyed spending time with her grandchildren and great-grandchildren, who she loved deeply.

In all of her days and until her passing, Marsha was a loving and kind soul. Her presence will without a doubt be missed by all who knew her. Her smile, her laughter and her spirit will live on in our hearts and our memories. We love you Marsha, Daughter, Sister, Mother, Aunt and Friend forever and always.

“ Ms. Libby, Diane, Stephanie, Sharon, Carmen and the entire Powell family...please know that I am praying for you during this difficult season. Marsha had a heart of gold and a love for people that was second to none. One thing about her is that she stood for what was right regardless of what others would say and she had no problems letting you know her position! She will be missed but I will cherish the good talks in school and even in our later years. Some families just fall in love with each other and our families did... from your, dad, mom and my grandmother Marian to the lasting friendship of Carmen and Pam. Our paths change but the excitement was like yesterday when we see each other! God's comfort to you all. Love, Carla
