“ *Aunt Martha,
You will be miss so very, very much. I thank you for all your advise, our long distance weekend talks, our visits when I would come to Delaware and especially the warm and family like relationship we had as Aunt and future niece-n-law, as you always made sure that I called you "Aunt Martha". Then you would laugh and say, "you're right, I am your Aunt Martha" I love you so much and I will deeply miss YOU!!!! RIP*
