

Martin Monroe "Blackjack" Reed Jr.

October 18, 1950 - February 10, 2020

Martin M. Reed, Jr., "Blackjack", was born on October 18, 1950, in Wilmington, Delaware, to the late Martin M. Reed, Sr. and Frances Reed. He departed this life on February 10, 2020, at home, surrounded by his loving family.

Blackjack received his early education from St. Joseph Middle School. He graduated from Salesianum High School in Wilmington, Delaware, in June of 1968. He enrolled at Delaware State College in the fall of 1969, but left to start his career at DuPont-Marshall Labs Philadelphia, Pennsylvania. Martin retired in October of 2012.

Blackjack had many hobbies and interest. He had a green thumb for gardening and shared his harvest. He was an avid fisherman, loved reading novels and an expert traveler. Blackjack saw a majority of this land riding his custom Harley-Davidson motorcycle.

Blackjack was a former President and National Board member of THUNDERGUARDS MOTORCYCLE CLUB. He was a force to be reckoned with; a man that said what he meant, and meant what he said. He will be missed by some for not holding his tongue, for his overall presence in a room, and to family, for his loving demeanor.

In addition to his parents, Martin “Blackjack” was preceded in death by two brothers, Eugene Robertson and Michael Reed, Sr.

Martin “Blackjack” is survived by his beloved wife, Debra Reed; his children, Jerome Wilson of Upper Marlboro, MD, Monica Reed-Asante (Dedrick) of Columbia , MD and Martin M. Reed III of Wilmington, DE; five brothers, Paul Reed (Lynda), James Reed, (Arlene), Joseph Reed, Sr.(Korrine), William Reed, and Robert Reed(Kim); one sister, Marie “Cissy” Reed; step-son, Reginald Williams; two granddaughters, Jemison and Ella Asante; devoted four legged companion, Mumzy; and a host of nieces and nephews and other loving friends.

Martin’s Last Quote

“I had a great life... Live it, love it the way I wanted to live it.”

“ *Mr. Black Jack, That is what I always called him from the first day I met him at the original club house when visiting with Big James, and that was before I became a T/G. That was more than 10 years ago. From my days as a Prospect to National Secretary in the Midwest, When ever we were together, I always appreciated his wisdom, mannerism, and calm conversation. Mr. Black Jack, Thanks for each second we spent together. Rest In Peace my Brother*
