“ *" I was saddened to hear about the loss of Sis. Mary, a long time friend. " May the family have great memories of times spent together. I'll always remember her as a neighbor several years ago; advising me on infant care to assisting me with any concerns due to my parents or family not living near me. She was my second family and friend. I will miss the regular phone calls, discussing our meals, family outings, or just reminiscing our times together.*

She will be deeply missed by her church, community and family.

" MAY SHE REST IN PEACE "
