“ I would like to express my deepest sympathy to the family in your time of grief. Death is an enemy to mankind and the bible promises us a time when death will be removed forever, along with sickness and pain. (Revelations21:3&4) We can also look forward to the time when we can welcome our loved ones back from the dead. (John 5:28&29) So please take comfort in the scriptures and may your family be strengthened and blessed at this time.
